

Honors and Awards

PHI BETA KAPPA

Phi Beta Kappa is the nation's oldest academic honor society, celebrating and advocating excellence in the liberal arts and sciences. Phi Beta Kappa chapters exist at only about ten percent of U.S. colleges and universities, and only about ten percent of each institution's arts and sciences graduates are invited to join each year. The rigorous selection process takes into account depth and breadth of study as well as overall academic excellence.

Members participating in the 2017 Commencement:

Audrey Ali
Liberal Arts

Ivana Dang

Honors and Awards

PHI KAPPA PHI

The Honor Society of Phi Kappa Phi is a scholastic honor society with membership open to students from all fields of study. Juniors in the top 7.5 percent, seniors in the top 10 percent, and graduate students who show special ability and are in the top 10 percent of their respective classes are nominated by faculty.
